

[Witch Gear]

Year: 3020

Location: Ava's Home

Ava: Mom I'm home!

Ava walks into her living room and (descripbs the empty home) sees that no one was there. She checks the bathroom, kitchen, her room, and even her mother's bedroom but no one was there. She hears a noise (say sound) coming from her brother's room. She walks in and notices her brother trying to (say about to cut the mark, with a knife) cut a mark from his body.

Ava: What are you doing? (establish his name here)

He quickly drops the knife and covers his body with a shirt (describes where the shirt is).

Quinton: What the hell? Ava, don't you knock?

Ava: Don't try and change the question, what were you doing?

Quinton: None of your business, don't you have something better to do? Like homework maybe?

Ava: Quinton, if you need help you can talk to me. (describe what they are doing in this section)

Quinton: I'm fine really. It's just a birthmark I was trying to get rid of.

Ava: You can just surgically remove that; we can even talk to mom about it. (asking why it bothers him so much)

Quinton: N-No! No one must know about my G... Birthmark. (his reaction needs to be more natural)

Ava: A-Ah, okay.

Quinton: So how is the academy going?

Ava: Everything is going good I guess, top of my class not much to complain about.

Quinton: Good to hear!

The downstairs door open. (describe this is the front door that squeiks)

Mom: Kids come down I have some food.

Ava and Quinton both head downstairs to eat in the kitchen table. It was their favorite Chinese food. (need to establish that they like chinese food)

Mom: So how is everyone's day been? (establish that they are sitting down eating)

Ava: Good

Mom: I love one-word answers.

Ava: School was super great; we talked about the creation of Adam, and the first sightings of Witches.

Quinton: (sights) Honestly I'm glad to be going to a normal school.

Ava: You only go to a normal school because you didn't pass the aptitude test to get in.

Quinton: Oh shut up Ava.

Mom: Now kids you wouldn't want to see mom angry now would you?

Ava, Quinton: No ma'am.

Mom: Good, so what do you have planned for tonight?

Ava: I'll be training; my class has a physical exam for tomorrow.

Mom: Oh, how fun.

Ava: It is, if I pass I'll have everything clear to do field work.

Quinton: Fieldwork?

Ava: Yeah I'll become a junior Witch Hunter.

Mom: how exciting I remember when I was a junior Witch Hunter.

Quinton: How exciting, really I'm overjoyed to hear that. Please excuse me I am going to my room. (describe what he does, and make him less proper)

Ava: Don't you want to talk to mom about your birthmark?

Quinton: Ava!

Mom: Birthmark? What are you guys talking about?

Quinton: It's nothing mom really.

Ava: Quinton let mom help.

Mom: Quinton you don't have a birthmark. Ava what did you see?

Quinton: She didn't see anything.

Quinton shoves his chair in, stomps up the stairs, and slams his door shut.

Mom: Ava, what did you see?

Ava: I saw Quinton trying to cut off a black mark on his inner left arm.

Mom: I think I'll have to make a call. Ava go to your room.

Ava: But mom, I need to train for my exam tomorrow.

Mom: Ava don't talk back to me! Go to your room now!

Ava heads upstairs but instead of going to her room she goes to her brothers room. His door was locked so she goes into her room(describe moor the ledge and room she goes in). She opens the window and goes outside to the connecting window(peeks). She looks through and sees her brother packing a bag quickly. She opens the window and enters his room. (the window is cracked open, quinto would hear that) (he needs to be starteld)

Ava: Quinton? What are you doing?

Quinton: A-Ava, I-I have to go somewhere.

Ava: Without mom's permission?

Quinton: You wont understand! Just get out and let me finish.

Ava: How long are you leaving for?

Quinton: I'm not sure.

Ava: If you leave I wont be able to see you.

Quinton: No Ava look its for the best. This way you wont be in danger.

Quinton finishes packing and was heading out the window but Ava blocks him. (he quickly zips up his bag and heads to the window)

Ava: No you are not leaving without an explanation.

Quinton: Get out of the way Ava, you won't understand.

Ava: You haven't even tried.

Quinton: (shoulder out of the way her off the way)

Ava: Why not? Why were you trying to cut off the mark? Why didn't you want to tell mom? Why did she make me go up to my room? What is going on? (re work this)
(make a note of this)

Quinton: Just move Ava I'll be fine on my own.

Ava: No!

Quinton grabs Ava by her shirt and pushed her onto the ground.

Ava: Q-Quinton?

Quinton: I-I'm sorry Ava. I need to go.

Ava grabs (locking her arms, throughs her arms around his leg) his leg.

Ava: No I won't let you go until you tell me. (taking too long make him leave and goes after him)

Quinton: Because I'm a Witch and you are a Hunter!

Ava: No that's not possible you are a male.

Quinton: I am Ava, and your job is to kill my kind isn't it? Tell me I'm wrong!

Ava: your lying you just don't want to tell me what's really going on!

Quinton lifts his shirt up to show the mark. It was black but it wasn't the same size as it was before. It grew since Ava last saw it. Now the mark went from the inner part of his left arm to (down)half of his upper part of the ribs. Ava was speechless holding back her tears.

Quinton: Its fine its not your fault, God has chosen me for something greater than myself but I'm not safe here any more Ava. (home isn't safe anymore)

Ava: Quinton.

Quinton: May we meet again Ava, hopefully not as enemies but as ally's dear sister.
(make him sound young)

Ava: No, I'm going with you and well figure this out together.

Quinton: No, you won't be safe with me.

Ava: I know more about Witches then you do, plus I'm great at combat too.

Quinton: No you're not.

Ava stands up from the floor and flips Quinton on to the floor. (describe words)

Quinton: Fine, get your stuff and let's go.

Ava hugs her brother.

Quinton: what was that for?

Ava: Believing in me.

Quinton: (coughs) we don't have much time lets go.

Ava goes (through the window) into her room and packs a bag full of (don't need to repeat that she is packing clothes) clothes and some of her weapons she has for training. She heads out the window to meet Quinton.)Quinton waits for her out side the window)

Quinton: Are you ready?

Ava: I was going to ask you the same thing (giggles).

Quinton jumps onto the front yard and falls flat on his butt. Ava jumps an(rolls and pops up on he two feet) lands on her two feet. They both start running down the block. (after she helps him up)

Ava: Hey, Quinton

Quinton: Yeah?

Ava: Where are we going?

Quinton: Uh, well I'm not really sure.

Ava: Quinton! What the hell?

Quinton: What? Sorry I didn't think ahead. I'm not really sure what to do?

Ava: I have an Idea but you'll have to hear me out.

Quinton: O-okay

Ava: Lets go to Mary's house.

Quinton: Are you crazy!

Ava: Hear me out.

Quinton: I'm not sleeping over at Mary Wulfstan Kilick house. She's the president's daughter, whose blood lineage is of Witch Hunters!

They both stop running.

Ava: Listen you have two things going for you. (Holds up two fingers)

Quinton: Oh yeah and what is that?

Ava: Witches are known to the world as being females so they won't be looking for you. The second is that I'm a friend of Mary and her father. Since I am in the same class as Mary her father will just think we are sleeping over. (sneak him in the house)

Quinton: Why go there now?

Ava: We just need a place to stay for the time being. We just need one night and well leave.

Quinton: Why until tomorrow?

Ava: We are braking into the Academy of Noah.

Quinton: I think I'm going back home.

Ava: ha-ha very funny.

Quinton: Why would we do that?

Ava: They have a Gear database with all 138 signs that have been collected. So if we figure out what power you have, then at least you can protect yourself. We can also research how to remove the mark.

Quinton: the mark can be removed?

Ava: Yeah b-

Two dark figures starts to run closer to the direction of both Quinton and Ava were at. (describe more the dark figures that ava sees) Ava realizes that they are Witch Hunters(camare pans to witch hunter logog). Ava grabs Quinton (and yanks him onto N ALLRY WAY)and starts running going through alleys to try and lose them. Just when they thought t(hey were safe the wouldn't know that and but looks s around) add that in the beginning(drops the shield behind her)) Hunters starts shooting. Ava took out her energy shield and blocked the attack though the shield starts to crack.

Quinton: How is it possible that we have Witch Hunters already on our tail.

Ava: I'm not sure.

Quinton: Well someone must have spoken to them about us.

Ava: I really hope you're not sa-

The shield shatters which throwing Ava and Quinton onto the floor. Ava pushes her brother behind a (trash bin)(shes close to it and grabs him to go behind the trash bin.) wall and threw a cube. The cube breaks releasing a seal that was blue all around them. She began to run up the wall and starts to fight the other Hunters. The Hunters throws the same thing one colored pink and another green. Ava was holding her own, but not for too long. Ava was getting hurt and there was nothing Quinton could do. She was thrown onto the floor and forces to kneel. Quinton was taken too and he kneels next to Ava. (describe more)

The colors disappeared. Both hunters handcuffed Ava and took Quinton.

Ava: No you're not taking him.

Ava bit one of the hunter's leg causing him to kick her on the face. He let out a grown and pulls his gun out. (exclaims)(growl)

Hunter: They said to keep the girl a live but I guess a little friendly fire?;

As He aims his gun at her.

Quinton: No! Stop please I'll go just stop!

Hunter: No! I won't be satisfied.

Quinton: No please!

Quinton started to cry yelling louder (more details)(grew past this shirt) but the hunter wasn't paying attention. Quinton's mark grows past his arm

Quinton: Enough pull the gun to your head. (shot me first and then build it but to killing the others)

The hunter did.

Ava: Quinton No!

Quinton: Kill yourself.

The Hunter shot himself. Blood fell all around them. Quinton says the same to the other one. And the other Hunter did as he was told. Quinton collapses on the ground.

Ava with blood all over her grabs him and pulls him all the way to Mary's house. (changes into some of his clothes, throw his stuff into the trash bin barley conscious)

Ava: Mary would you mind if we stay the night? (do you mind if he can stay the night)

Mary: What's wrong Ava?

Ava: It's better if you don't know.

Mary: Okay come in.

Ava: Can you help please (starts to cry)?

Mary helps pull Quinton into her house and puts him in one of the guest bedrooms.

Ava: Is your father be home? (change that)

Mary: No he's doing something in another country (specify the country) right now. It's just the maids and I. You can stay as long as you need to Ava.

Ava: Thank you Mary.

Ava washes herself off and tries to go to bed. (sits out to check up on him)
